If for some reason the Gate is not vetting individuals on the morning of the job fair due to the number of individuals needing access to the installation, then you will be asked to proceed to the Visitors Control Center for background check. (Estimated time- only 10 minutes typically).

(2) **Visitors Control Center** - **Access the Lee Gate from Highway 36 and proceed to the Visitors Center to gain access to the installation.** Be prepared to show vehicle registration and insurance documents. At the Visitor's Center you will be asked to fill out a short form and provide ID (picture) for the background screening process. This should take no longer than 10 min. based on the number of individuals needing access to the installation that also have to report through the Visitors Center.

(3) **Complete DES FORM-190-3 and return directly to Visitors Control Center for pre-approval request (individual request).**
